FIGHT ATTACKS ON PUBLIC SECTOR UNIONS

Saturday, February 24

Join thousands of workers rallying across the country to protect unions and demand an end to a system that's rigged against working people.

The U.S. Supreme Court will soon be hearing arguments in the case of Janus v. AFSCME that is likely to ban "agency fees" for public sector unions, forcing them to represent free riders who will get all the benefits of a union but bear none of the costs.

The case is aimed at destroying the power of public sector unionism. It is the next step in Corporate America's plan to destroy the labor movement.

TAKE A STAND. PROTECT OUR UNION.
