Dear Mr. Gallagher:

This letter is to notify you that Verizon Services Corp. (“VSC”) is declaring a surplus and to provide the CWA with fifteen (15) days advance notice that this surplus could lead to a layoff.

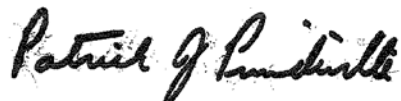

Specifically, there is a surplus of two (2) employees in the Technician BUS/GOV job title located at 76 9<sup>th</sup> Avenue, New York, NY. This location is in Article 8 Unit (6) – New York County. The surplus at this location is within the Verizon Network Operations organization under Diana Scudder-Vice President. The surplus title by Article 8 Unit together with the names, net credited service dates, and work location of all employees affected are provided as an attachment to this letter.

Beginning August 3, 2021, VSC will solicit employees in the Technician BUS/GOV job title within the referenced Article 8 Unit, by seniority order, to volunteer to leave the business with the layoff allowance or the Enhanced Income Protection Plan (EIPP), whichever is greater, as specified in the Labor Agreement. Employees will have 14 calendar days to decide whether to take the volunteer offer to leave the business. Accordingly, all volunteers will need to submit their offer applications no later than August 16, 2021. The off-payroll date for employees who accept the volunteer offer will be September 5, 2021.

To the extent there are insufficient volunteers to relieve the surplus, VCS may lay off employees in the Technician BUS/GOV job title within the Article 8 Unit by inverse order of seniority in that Unit. The off-payroll date for these employees will also be September 5, 2021. Those employees who are laid off will receive the layoff allowance or EIPP offer, whichever is greater, as specified in the Labor Agreement.

Should you have any questions please call me on 212-519-4867.

Very Truly Yours,

Patrick J. Prindeville  
Executive Director – Labor Relations
