

CWA / AT&T 2026 “Orange” Contract Bargaining

February 27, 2026 – Bargaining Report #13

Constructive conversations were held on various issues this week, and we can report that we had more good discussions with the Company than we have had since the inception of bargaining. While we are still far apart on important items, your mobilization efforts seem to be resonating with the Company and brought them to the table to bargain. It’s the pressure from you that forces movement at the table.

The contract remains in place until 11:59 p.m. Eastern time, Friday, March 6th. Your bargaining team will continue to meet with AT&T bargainers to be sure your voices are heard.

Stay mobilized!
