

CWA / AT&T 2026 “Orange” Contract Bargaining

March 3, 2026 – Bargaining Report #14

The Union Bargaining Committee continues to meet with the Company. As we reported last week, there has been movement in a positive direction but it's minimal and moving at a snail's pace. Your surveys told us what was important to you, and we continue to let AT&T know that we are not leaving the table without addressing your issues. We will remain at the table and continue to fight as long as it takes.

We know this process can be frustrating and feel like it's dragging on but it's important to stay mobilized and informed. The company definitely feels your solidarity through mobilization and that gives a lot of leverage at the table. Keep up the fight!

Stay mobilized! Stay angry!
