

## **CWA / AT&T 2026 “Orange” Contract Bargaining**

### **March 13, 2026 – Bargaining Report #16**

The Union Bargaining Committee continues to meet with the Company. Unfortunately, there is very little to report this week, although there have been some positive developments. We have received more of the information we need to pass informed proposals. We are going to continue to push the issues that are important to you. Mobilization has been crucial to continued movement at the table. Please stay in touch with your mobilizers, and keep the pressure on AT&T.

Stay mobilized! Stay angry!
